

Eye Surgery Made Comfortable
Eye Surgery Recovery
Equipment For Rent

We rent Massage Tables, Tabletop Chair Massage Units and Massage Chairs for Vitreoretinal Surgery Recovery or any surgery that requires a face down recovery period. We also have a Mirror System we manufacture ourselves for viewing while in the face down position. All of these products can be seen in the show room or on our website. We highly recommend that if you need this equipment, come by our store in advance to see it and pick it up prior to your surgery. Your satisfaction is always GUARANTEED. A 2-day grace period on rentals is allowed for pickup and return. All units come with adjustable face rest, carry case & washable face rest covers. New units are also available for purchase except for tabletop unit.
